[MARIJUANA AND YOUR HEALTH: JUST THE FACTS PART I](#)

This paper comprises three decades of scientific study on the negative and potential positive effects of marijuana and human health. JUST THE FACTS: Marijuana and Health Marijuana is the subject of heated debate in our country. Despite one's view on marijuana policy, it is critical to be well-versed in the science. Marijuana is one of the most misunderstood drugs of our time. Sifting through the rhet...

TitleNot just the facts Maam give me the big picture. The big picture is often more than its individual parts Summary Individual facts only give bits of a story. But for best results, it is critical to knit those facts into what we call information. Knowing where to look for facts is only the first step; knowing how to look at them is the key to success. Abstract As genealogists, it is easy for us to tak...
